# STAMPEDE

## ALMA MATER

Far out on the western prairie,  
Standing plain to view,  
Is our dear old Bridgeport High School,  
Towering toward the blue,

Hail, all hail, our Alma Mater  
Hail to Bridgeport High,  
We bear thee a love so fervent  
It shall never die.

In her halls we've toiled and struggled,  
Many tasks begun,  
And for her, our Alma Mater,  
Many victories won.

YVONNE LOVELL

## FOREWORD

Though time will pass and we shall part, this book will be an unbreakable link in your chain of memories. And if, when looking through these pages you relive the happy days of yesteryears for just a while, our efforts will not have been in vain.

Thus, we present this book to you; may it bring memories that will live through the years.

## DEDICATION

During the years that he has spent at Bridgeport, Mr. Z. T. Tindel has been an outstanding example of co-operation. He has always been ready to help those in need. To the pupils and faculty he has been a friend at all times.

For these reasons we are happy to dedicate the 1954 STAMPEDE to Mr. Tindel.

## SUPERINTENDENT'S MESSAGE

To The Annual Staff,  
Faculty and Students:

I wish to compliment the Annual Staff for the nice annual which has been published this year. It is a commendable piece of work and is indicative of your power to plan, your ability to work and your willingness to serve your school.

The faculty and student body are to be congratulated upon their spirit of devotion to the course of making school life happier and the community a better place in which to live.

School progress is being made. Much lies ahead to be done. Great enthusiasm for the job ahead should be as characteristic as the loyalty of the past which makes for success in the future.

Sincerely,  
Herbert D. Flowers  
Superintendent

## PRINCIPAL'S MESSAGE

Dear Students:

One thing you should resolve upon: You will not be a sponge or a parasite. You should give an honest equivalent for what you get. You should want no man's money for which you have not rendered a full return. You should want no wages that you have not earned. If you work for any man or any company or any institution, you should render a full, ample, generous service. If you work for the city or the states or the nation, you should give your best thought, your best effort, your most conscientious and efficient endeavor. No man, no body of men should ever be made poor by their dealing with you. If you can give a little more than you get each time, in that shall be your happiness. The great commonwealth of human society should never be the loser through you. You should take good care to put into the common fund more than you take out.

To live, to really live you must know you are doing something your community needs to have done. You must have in your own mind a picture of yourself as the helper of other human beings.
